BISLEY

Hello.

We are a specialist designer and manufacturer of stylish, high quality, upholstered seating, perfectly suited to enhancing any environment.

Located in Newport, Wales we are well situated to serve clients throughout the UK and have considerable experience and expertise in delivering solutions globally.

Our in-house design and upholstery teams, have extensive vision, knowledge and capability in developing and manufacturing furniture to the highest specification, whether from our standard product range or to solve one-off or bespoke requirements.

Alongside our in-house manufactured range of soft seating we also supply a selection of complementary products, including tables and chairs, to complete your workplace requirements.

We believe good environmental practices go hand in hand with good product quality and we always endeavour to source from environmentally accredited, sustainable sources and from other UK manufacturers.
